The Tide of Life

"There is a tide in the affair of men
Which taken at the flood leads on to fortune;
Omitted, all the voyage of their life
Is bound in shallows and in miseries.
On such a full sea are we now afloat,
And we must take the current when it serves,
Or lose our ventures."

Shakespeare

Mrs. Faye Riley

In Dedication

Mrs. Jorden pins a corsage on Mrs. Riley at the Faculty Christmas party which honored her and her husband.

Often the thing we cherish and remember longest is that thing which lasts only a moment. This is the feeling we have for the person to whom this book is dedicated, Mrs. Faye Riley. Although she was only here for a year and a half, she will be remembered and thought of much longer.

For some reason God saw fit to send Mrs. Riley to Olivet to begin the nursing program. Even though her call to the mission field was her first love, she willingly and unselfishly came to Olivet, accepting a duty which she knew would take many tedious and weary hours of work.

While here, her patience and kindness, her charm and grace, and her tender spirit and love for God radiated and spread to all the students and faculty members with whom she came in contact. As the days passed, we came to love her as a personal friend and a member of the O.N.C. family.

Finally when the day of her departure came, it was with both joy and grief that we listened to her read in chapel, "He that saith he abideth in him ought himself also so to walk, even as he walked" (1 John 2:6).

Another chapter in her life ended and a new one opened as she left for Africa, but she left behind many enriched hearts and lives because God had sent her to Olivet. Therefore, we gratefully dedicate the 1968 AURORA to Mrs. Faye Riley.

Darkness is powerless before the dawning light. And so it is with death. We have allowed ourselves to think of it as a dark door, but actually it is a radiant bridge spanning the gulf between two worlds.

PROLOGUE

The "tide of life," the theme of this year's book, is representative of the daily lives of students and faculty on the campus of Olivet Nazarene College.

AURORA, 1968 is an attempt, by the AURORA staff, to show students as they engage in a heart-touching revival, a thought-provoking lecture, a public-serving club or organization, a fun-thrilling basketball game, and a beautifully-enchanting Valentine's party. It attempts to show their joys and their sorrows, their anxieties and their satisfactions, their fun times and their quiet times, their laughter and their tears. But most of all, it is an attempt to show the growth and development of students involved in the "tide of life."

Therefore, let's take a voyage and experience this "tide of life" at Olivet during the school year 1967-68.

College Church Provides Spiritual Center for

College Church

Mrs. Nash assists Dr. Nash in the dedication of Lynn Bos.

College Church is the spiritual center of Olivet's campus. The inspiration of the music and of Dr. Nash's messages adds a new dimension to the students' lives. Dr. and Mrs. Nash make a special effort to welcome students and to include them in the activities of College Church. Sunday school classes, N.Y.P.S., and Trinity Choir give students opportunities to serve the church and to grow spiritually.

Rev. Arlond Gould, assistant pastor.

Students and Faculty

Dr. Timothy Smith, like all guest chapel speakers, was cordially welcomed by the faculty.

Chapel services four times a week provide an opportunity to unite students and faculty in an attitude of worship. The chapel committee endeavors to make services appealing to all students. They plan a variety of programs ranging from musical concerts and missionary messages to guest lecturers and revival services.

Chapel Unites Olivetians in Worship

Mr. James Perry explained the properties of liquid nitrogen during a chapel demonstration.

Dr. A. L. Parratt's dynamic sermons commanded the attention of every student.

Randa Ingalls cut the ribbon at the dedication ceremony of McClain Hall.

Mrs. McClain received congratulations from other faculty members.

Dedication of McClain Hall Highlights Founder's Day

Founder's Day, 1967, was observed with the dedication of McClain Hall, the new woman's dormitory. The dorm was named in honor of Dr. and Mrs. C. S. McClain, who have served the school for many years. The McClains were honored in chapel, at the ribbon-cutting ceremony, and at a special luncheon.

The entire McClain family, Carol Ingalls, Ruth McClain, Barbara McClain, Randa Ingalls, Mrs. McClain, and Dr. McClain, was present for the dedication.

Missionary Assistants Share Summer Experiences With Entire Student Body

Ann Phipps answered students' questions concerning her work.

Vicki Vorce related a humorous incident to interested students.

Four students from Olivet were selected for service with the Youth Missionary Assistance Corps last summer. Gloria Hacker went to Guyana while Ann Phipps, Vicki Vorce, and Greg Cooper went to British Honduras for two months. They helped missionaries both with daily duties and with special services. The Corps is a new program of the Church of the Nazarene designed to relieve the work load on missionaries during the summer months as well as to give practical missionary experience to young adults.

Vicki, Greg, and Ann displayed curios and souvenirs from their travels.

Singing Along the Way

Collegians Quartet: Ron Schwada, Larry Shupe, Paul Ebright, Steve Ward, Rusty Webster, accompianist.

This summer Olivet was represented by two quartets, the Olivetians and the Collegians. The quartets appeared at camp meetings, district assemblies, district youth camps, and local churches across the educational zone.

Olivetians Quartet: Front: Gary Robbins, Harrison Stewart, Doug Trotter, Back: Terry Lambright, Bob Sparrow, accompianist.

Committee Co-ordinates All Phases of Spiritual Outreach

Spiritual Outreach Committee: Mrs. Habbs, office secretary first semester; Ann Phipps, Director of Development of New Programs; Martha Mahaffey, committee secretary; Jerry Frye, Vice-chairman and Director of Public Relations; Dr. Cotner, Administrative Director; Joe Wisehart, Chairman; Les Haugh, Lay Witness Director; Mike Shank, Evangels Director; Peg Ulmet, Gospel Crusaders Director; Carolyn Sechrist, Scope Director; Vicki Vorce, Servants of Christ Director.

As in the words of our late President, "Ask not what your country can do for you, rather what you can do for your country," Spiritual Outreach proclaims through its programs of action, "Ask not what Christ and the church can do for you, rather what you can do for Christ and the church."

The Spiritual Outreach Committee is responsible for the recruiting, training, and scheduling of volunteers for the Gospel Crusader, Lay Witness, Servants of Christ, Evangels and Scope programs. Through these areas of outreach, over one-third of the student body have become actively involved for the cause of Christ.

The overall effect on the church will never be known, but indicative of the general response was a comment by the Herald of Holiness, acclaiming it, "one of the great advances of the church in recent years."

Mrs. Mowry served as office secretary during second semester.

Dr. Cotner, Joe Wisehart and Jerry Frye worked closely to put committee ideas into action.

Rev. Millhuff's dynamic enthusiasm for personal evangelism was evident during his lectures.

Training Seminar Emphasizes Personal Evangelism

In October, Rev. Charles Millhuff visited the campus to conduct a four-day training seminar for Spiritual Outreach volunteers. Rev. Millhuff introduced the four spiritual laws and explained how they could be used to lead people to Christ. Students and faculty readily accepted his challenge and began to use the method effectively. Weekly reports of spiritual victories resulting from use of the four spiritual laws have made an impact on the entire campus.

Students and faculty filled Reed Lecture Hall to capacity to hear Rev. Millhuff speak each day.

Servants of Christ Teams Minister to Local Churches

Vicki Varce, Servants of Christ Director; Jane Burbrink, member of Servants of Christ subcommittee.

Servants of Christ volunteers, Greg Cooper, Lynette Combs, Shanon Richey, Sue Ash, and Martha Stewart leave for Pontiac, Illinois to aid in the Sunday services.

Gospel Crusaders is that division of the Spiritual Outreach program which sends evangelistic teams to local churches across the educational zone. This year fifteen teams were scheduled for nearly seventy-five weekend revivals. The witness left by these teams has given new vitality to many churches and has helped many people find a personal relationship with Christ.

The primary function of Lay Witness concerns personal evangelism. Teams are sent to churches to assist in special calling programs. Team members have led people to Christ in their homes during these calling programs. In addition to aiding in calling, teams often participate in Sunday morning services.

Servants of Christ sends teams to churches which have a Sunday school attendance of one hundred or less. Each Sunday nearly sixty students served twelve churches within a seventy-five mile radius of Olivet. The teams' goal is to help make churches self-sustaining by training the people in the churches.

The Inner-City Commission, headed by Jack Stepp (far left) discusses the possibilities of service in Chicago's South Side with Rev. Gleason, a minister from the area.

Scope and Evangels Serve Community Needs

Jay Crain, Director of Child Care Project; Carolyn Sechrist, Scope Director; and Sandy Bidlack, Kankakee State Hospital Project Director.

Steve Sears, Director of the Illinois Youth Commission project takes time to test his strength with two of the boys.

Spiritual Concern Over People Everywhere is the aim of the Scope program. Committed students have worked in various community and welfare organizations where they communicated Christian ideals and promoted the image of Olivet. In their weekly service, students had the opportunity to show personal interest in the lives of other people of all ages.

Evangels maintains a program of visitation in nine Kankakee area rest homes. In their ministry to senior citizens, students held religious services in each rest home and visited individually those who were unable to attend the group service. Evangels also visited Kankakee State Hospital and worked with boys at the Illinois Youth Commission.

Mike Shank, Evangels Director and Bill Hendricks, Group Leader at Americana Nursing Home.

Bill Hendricks delivers the Evangels' weekly message at the Americana Nursing Home.

The enthusiasm of song leader Steve Ward created a good spirit in the services.

A variety of programs, including talks by faculty members appealed to all students.

President Ron Frye led students in prayer and praise to God.

Prayer is a Way of Life

Four days a week students take time out from their hectic schedules to gather in Kelley Prayer Chapel for spiritual enrichment in an atmosphere similar to that of the home church prayer meeting. President Ron Frye conducts programs consisting of testimonies and special music as well as student and guest speakers to add variety to Student Prayer Band. As students carry the enthusiastic spirit of Prayer Band back to the dorms, the blessings they have received from prayer and praise to God make an impact on the entire campus.

Prayer Band members went Christmas caroling at Meadowview shopping center.

Revival Brings

The importance of prayer was specially emphasized in the fall revival.

Revivals are an important part of Olivet's spiritual life. This year three revivals were held. In addition to regular evening services, the evangelists spoke in chapel in an endeavor to reach the whole student body with the gospel. Dr. Russell V. DeLang and Professor Irving Kranich were the workers in the fall revival. The Youth revival brought Dr. Willard Taylor and Professor Robert Hale to the campus. The ministry of Dr. T. W. Willingham and the singing of Mr. Gene Braun highlighted the spring revival.

YEAR OF NEW BEGINNING

The new Central Educational Zone which came into full-orbed being in the year 1967-1968 is composed of sixty thousand Church members. This Zone includes the states of Illinois, Indiana, Michigan, and Wisconsin. It is made up of ten Districts with both lay and ministerial Trustees elected to represent the Church constituency. In addition to these forty Trustees, there are two alumni and the College President which serves on this important Board.

One-third of the Board is serving for its first year. The loss of one hundred and eighty thousand dollars of support from the five Districts which have gone into the two new college zones means that new levels of financial support must be found. The new Board of Trustees are conscientious and are dedicated to the proposition that Olivet must be strengthened financially to meet the challenges of our day.

In this year of new beginnings we are dedicated to two propositions. We must keep faith with our time-tested objectives, and we must experience creative renewal in order to survive in our dynamic society.

There are seven time-tested goals of the historic protestant college according to Lloyd Averill, President of the Council of Protestant Colleges and Universities. This is our time-tested pattern.

1. *The typical protestant college has been small and residential.*
2. *It has a distinctive institutional and Christian world view.*
3. *Its curriculum has been defined by the Liberal Arts and Sciences.*
4. *It has stressed synoptic vision over a massive accumulation of knowledge.*
5. *Its style both of life and learning has been marked by moral seriousness.*
6. *It has maintained a strong conviction about the importance of the academic study of religion.*
7. *It has sought to reproduce in its graduates, as it has desired to exhibit in its own life, motivation to the service of mankind.*

These traditional patterns are grooved into the thinking of Olivet, and are intelligently reviewed by its able faculty in order that we may often experience creative renewal.

There must be creative renewal financially if Olivet is to reach its potential.

There must be creative renewal academically if Olivet challenges the hundreds of youth it serves.

There must be creative renewal spiritually if Olivet lives up to its time-honored motto: "Education With a Christian Purpose."

Harold W. Reed, President

The legislative body of Olivet Nazarene College is the Board of Trustees, and it meets semi-annually in February and May. Both laymen and ministers on the educational zone make up this year's Board of forty trustees. Two alumni and the college President also serve on the Board. At this year's meetings the trustees voted to continue intercollegiate basketball and to add other intercollegiate sports to the extracurricular program.

Representotives of the juniar class?

A long deserted farm including a farmhouse and barn was the scene of this year's Halloween Party sponsored by the Juniar Class. Many who had never experienced claustrophobia were made to know what this word means while crawling thru a baffling maze. Then the guests of the Juniar Class were greeted by cavemen, a carpse, a mad woman, and a dead bride. After returning to campus, refreshments were served to calm shattered nerves.

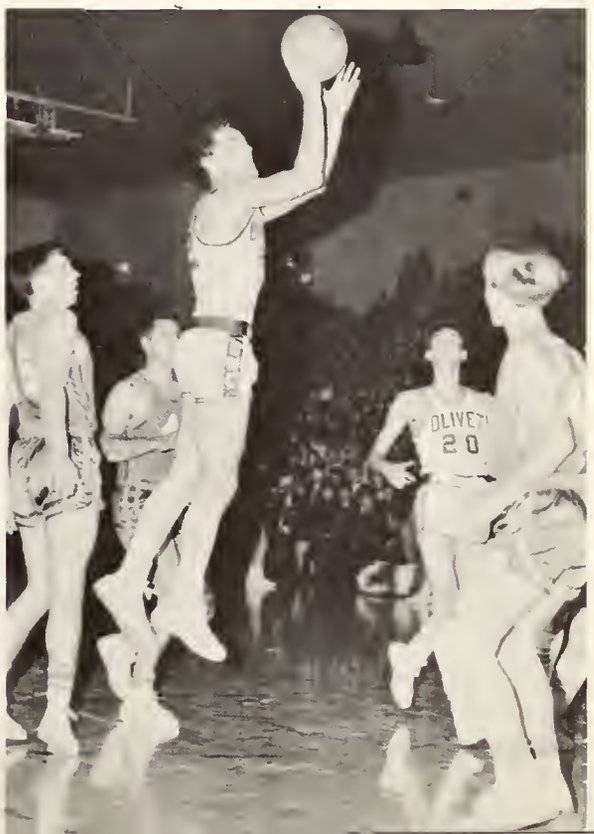
"Sink it, Tigers!"



Olivet put out its welcome mat Homecoming weekend from the coronation to the Tip-Off game, presenting its theme, "Welcome Alumni." The alumni, faculty, and students fellowshipped and worshipped together. The festivities began in a regal manner with coronation of the 1967 homecoming queen, Miss Judy Markee, and the presentation of her court. The spirit of the bonfire and parade heightened the enthusiasm of the Olivet family. Dr. Jerial Beard's chapel message and the splendor of the Homecoming Concert inspired us. All of the events led to the climaxing event, the Tip-off game. There, alumni and students cheered the Tigers to victory over the Bethel Pilots. The school spirit at this event can best be expressed by these words: "We love the Christ you gave first part and you old Olivet."

Queen Judy Markee

The identity of Olivet's Homecoming Queen was revealed at a semi-formal coronation ceremony in Chalfant Hall. Enhanced by the special scenery and lighting, the excitement mounted as each of the five candidates walked alone down the runway to the melody of her favorite song. The evening climaxed with the dramatic announcement of the Queen. John Seaman, student body president, then crowned Queen Judy Markee as she began her reign over Homecoming 1967-68.

Debaters Develop Intellect through Exposition

An early catalogue (1910-1911) of Olivet Nazarene College stated that "the student who has gone through college without the privileges of debate has lost a valuable chapter out of his life that cannot be rewritten". This concept is still true: therefore, Varsity Debate is an integral part of the Olivet program. The topic for debate this year was —Resolved: that the federal government should guarantee a minimum cash income to all citizens. The Debaters participated in the New York Speech Festival, plus a single debate at Eastern Nazarene College, and have clashed with about 75 other colleges and universities this year in 120 debates. The Varsity squad has nearly a 70% winning record for the year.

Spirited Cheerleaders Boost Student Morale

The Varsity and the Junior Varsity cheerleading squads spearheaded enthusiasm for the Olivet Tigers at both home and away games with their optimism and encouragement.

Varsity cheerleaders Sandy Christmas, head cheerleader, Sue Myers, Helen Reeves, and Miriam Moore looked particularly fresh in their new purple and gold uniforms.

Junior Varsity cheerleaders Darla Collam, Doreen Elias, Cindy Keller and Lynn Elkins were all energetic freshmen.

Alumni Cages Junior Tigers

The Alumni team, composed of some of those who played on the first intercollegiate basketball team, defeated Olivet's junior varsity 85-69 in the Homecoming preliminary contest.

The Alumni went on top early in the fray and never faltered in beating the junior varsity for the second straight season.

Ed Bowman, a 1966 graduate of Olivet, led the winners in the scoring column. Bowman, a guard, hit double figures.

Steve Mann, who by season's end was to be voted by teammates as the JV's most valuable player, netted 21 points for the junior Tigers. Mann is a 6-foot freshman from West Middletown, Ohio.

Roar

Walterhouse double-teamed . . . to no avail.

The largest crowd, over 3,500 to witness a tipoff or homecoming game, saw Olivet open the 1967-68 season with a 96-85 conquest of Bethel College of Mishawaka, Ind. The game was played at the Abraham Lincoln Elementary school gymnasium in Kankakee. The crowd, composed mostly of highly partisan Olivet alumni, faculty, students and friends, overflowed the seats and pushed to the out of bounds lines at each end of the court.

The scoring of Lon Williams, the only letterman back from Olivet's first intercollegiate basketball team, set a new individual scoring mark of 32 points. The only story of the game, however, was not just on the floor. On the Olivet bench sat C. W. Ward, head basketball coach. On the other side of the scorer's table sat Dick Felix on the Bethel bench. Felix, Bethel's head coach, is a graduate of Olivet and a former student of Ward.

Cagers Avenge Loss to Lincoln

Lincoln (Ill.) Christian College was one of three foes Olivet's varsity played twice. The Tigers split with the Preachers, losing 94-80 in the Prairie College Conference tournament November 24, but winning 85-80 at Birchard January 19.

The January 19 victory equaled Olivet's four wins of the initial season and after that game the Tigers still had two contests left for a chance to go over the 500 mark. Olivet followed the Lincoln victory with a 102-94 conquest over Rockford (Ill.) College February 10 to even its chart at 5-5, but dropped its final game of the season 85-71 at Bethel College for a concluding 5-6 record.

Olivet Surprises Spring Arbor with Power

Al Dicer outpaces opponent for easy bunny shot.

The addition of two first time starters, Tom Paska and Tim Umphrey, gave Olivet's attack a new look when it took the floor in a January 12 fray against Spring Arbor (Mich.) College at Birchard.

The Tigers whipped Spring Arbor 110-85 for their first victory of the season in a home game. Olivet, in fact, was to also win its remaining two games in Birchard, shaking a home court jinx that had plagued it since losing to Greenville in early January, 1967.

Talented Team Witnesses

Cheerleaders Helen Reeves, Sue Myers, Miriam Moore, and Sandy Christmas.

Olivet's junior varsity and varsity basketball teams plus the varsity cheerleaders conducted two Sunday morning church services during the 1967-68 season. The services were held at Mishawaka, Indiana and Huntington, Indiana. The same groups followed a church service in Mishawaka's First Church of the Nazarene with a service in a regular chapel period the next day.

It was the second straight season Olivet's teams conducted church services in a Nazarene church in or near a community where they had played basketball the previous night. The program is a vital part of the intercollegiate athletic setup and is expected to continue in future seasons.

The team unites in praises to the Lord.

Coach Ward presents the Most Valuable Player Award to Skip Mulder.

Larry Mulder, who is most commonly known as Skip, was the recipient of the most valuable player trophy and the rebounding trophy at Olivet's intercollegiate basketball banquet. His 126 carams in eleven games led that department while he carried an 18.2 points per game average, scoring 200 tallies. Steve Mann, freshman, received the most valuable player award on the junior varsity team.

The hustle award went to captain Lon Williams who was the team's leading scorer with 240 points, a 21.9 points per game average. Tom Pasko, who did not join the team until mid-season, wan the free throw proficiency award. He shot 80 per cent from the charity stripe, sinking 28 of 35 attempts in five contests.

Williams presented Ward and assistant Varsity Coach Bob Starcher with plaques from the team. Ken Matley, junior varsity captain, gave plaques to head JV coach Larry Watsan and assistant Barry May.

INTRAMURAL FOOTBALL

Tension ran high as the Packers and Saints both vied for that small piece of pigskin which seemed at times to be floating aimlessly through the air. Strategy is the theme of the game.

Do you believe in magic? Some people seem to think that the word "Packers" has magic in it. Olivet's own Packers finished their season undefeated. Each game was a hard-hitting defensive battle. The Saints' offense could not get moving until the final game, which proved to be the most exciting game of the season.

INTRAMURAL SOFTBALL

One need only be a student at Olivet to be eligible for intramural athletics. The season is initiated with society softball tournaments, and this year, as always, everyone was excited about getting "into the swing" of things.

Beta Society: Front row; M. Raske, M. Laske, S. Rogers; Back row; H. Filimon, T. Hoffmon, and B. Kirts.

Beta had a bad season this year because of lack of participation. Although small in number, they were, however, big on experience and skill. All of their players will be returning next fall, and with a few new recruits, they could return to the top.

Delta's record was not top, but their team spirit and enthusiasm was unmatched even when they were several runs behind. This year's "green and white" team was composed mostly of underclassmen who will be returning next year with, at least, a year's experience.

Gamma society came through with a good record for the season, showing both experience and teamwork in every game. They were an outstanding defensive team and are expected to do well in the future as many of their players will be returning.

Delta Society: Front row; M. Canrad, S. Kirts, C. George, R. Kruse; Back row; S. Cunningham, C. Hess, D. Goodwin, G. Flack, C. O'Bryant, and D. Collom.

Skill on the Softball Field

Zeta Society: Front row; C. Holl, C. Sevier, L. Elkins, S. Fogle; Back Row; C. Grubbs, M. Watters, W. Adams, and B. Crabtree.

The Kappa girls represented their society well with a fine record for the season showing both team spirit and enthusiasm. With only one upperclassman on the team, Kappa has real potential for next fall.

Lacking a bit in experience, Sigma showed a great deal of team spirit and real potential for next season.

Experience, skill, enthusiasm, and all around team work was the key to Zeta's victorious season, making them a big asset to their society. The team, which consisted of several freshman, and which showed great skill and spirit, could be a team hard to beat in the future.

Beta Society: D. Henricks, P. Alger, S. Sears, S. Hayes, D. Jensen, E. Self, D. Bowman, B. Lightle, G. Robbins and batting is Coach M. DeMint.

Beta finished the season in a tie for second place with a 5-4-1 record. Dave Hendrichs led the team with a .471 batting average. Pitcher Stan Hayes and centerfielder Gary Robbins both batted above the .400 mark, and all three men were placed on the All-Star team.

Delta Society: E. Smith, D. Pae, D. Hartline, B. Clark, J. Hockenberry, T. Williams, B. Solomon, P. Owens, L. Cranston, and demonstrating how to catch a grounder is B. Seal.

The realization of Delta's power in Olivet's intramural softball season was not established until the second half of the season. Spirit began to grow and Delta won its last five games, defeating Gamma for its only loss.

Gamma won nine of its ten games, easily winning the softball championship. Carlyle Thill led the team with a .350 batting average. Grover Brooks, Steve Remole, and Brock Swanson hit .292, .211, and .150, respectively. Gamma's lone defeat was to Delta.

Gamma Society: Sliding is S. Remale, and athers are G. Caaper, C. Thill, R. Hill, D. Smith, S. Staton, G. Braaks, K. Elbersma, M. Kindred, R. Cunningham and B. Swansan, Caach.

Kappa received two sparkling one-hit pitching games from pitcher Noel Wright. However, inconsistency plagued Kappa during the first half of the season, and it lost three of its first four games.

Sigma Society: A. Fowler, A. Lenard, J. Cox, T. Meadows, P. Andersan; batting is M. Rolfe. Back Row; G. Barney, Coach, R. Stipp. R. Shack, M. Strawser, and R. Bath.

Sigma finished in a two way tie with Beta for second place. Mike Rolfe led the league with a fine .536 batting average, and pitcher Mike Meadows hit for a .318 batting average.

Zeta Society: Front row; J. Halmgren, L. Duffie, G. Bennett, B. Boudreau, L. Watt, J. Burlend, P. Brown, S. MacFarlond, L. Bolton; Kneeling; D. Fitch.

INTRAMURAL BASKETBALL

Following softball and foatball, everyone gets reody for Olivet's most popular sport, basketball. The additian of intercollegiate basketball hos given the intramural version of the game an extra push—everyane seems to be trying just a little bit harder.

Fourth place this year, Beta showed great determination and potential. Although they had no outstanding scorers, they had exceptionally good ball carriers. Enthusiasm and team spirit brought Beta to a 5-5 record.

With a hundred percent improvement over last year, Delta also showed great potential but lacked experience. The girls worked well as a team with enthusiasm and pep. They ended the season with a 2-8 record.

With good participation and a strong emphasis placed on defense, the Kappa girls climbed to a tie for second place. Good support was given by the freshmen girls.

The Gamma girls, tying with Kappa for second place, played well together as a team. They never gave up in their efforts to work toward the top.

Kappa Society: First row: N. Whitis, R. Henck, J. Willioms, Second row: L. Seely, M. Moore, C. Crabtree, V. Moyer, Third row: S. Paluszkiewicz, B. Schultz, M. Inmon, C. Hunter.

Giving Action to Cage Season

Sigma's team this year placed fifth in the standings. Their team was hindered by a lack of total participation, but they did have support from the freshmen. Their good spirit and cooperation resulted in a good year.

Zeta's victory year can be attributed to their tough guarding and good shooting. Having an experienced team and one that worked well together helped them gain their first-place standing.

Zeta Society: First row: C. Grubbs, D. Miller, M. Myer; Second row: Y. Smitley, W. Adams, B. Crabtree, J. Mosshart, Third row: L. Elkins, R. Marris, P. Humphries.

Intramural Basketball

Beta walked away with the men's intramural basketball title by winning nine of their ten games. Steve Williams was Beta's leading scorer with an even 100 points.

Finishing third was Delta with a six and four record, yet Delta was the only team to defeat Beta in an exciting 51-49 win. Don Poe was Delta's leading scorer with 125 points.

"Where's the ref?"

Kappa finished second in the intramural league with a fine seven and three season. Ken Fitch and Dan Scott were Kappa's leading scorers averaging 12.4 and 9.6 points per game respectively.

Gamma had a fair four and six season, but one of the best players, Dave McClaid led the league in scoring this year with 142 points for an average of 15.7 per game with Steve Staton scoring 104 points for the "black and red" team.

Shows Keen Competition

Gamma Society: First row: S. Staton, D. McClaid, R. Cunninghom, S. Remole, Second row: R. Kinzinger, C. Burbrink, F. Holl, G. Leach.

Sigma finished in a tie for fifth place while their own Mike Rolfe finished second in the scoring race with 136 points, averaging 13.6 points per game.

Turkey Trot:

Finally, it's almost over, and I've made it!

After two miles, "Are you sure you signed up for this."

New Annual Event for Men

With the sound of the gun thirty-five brave, long-winded Tigers began the new annual Turkey Trot. The run pitted society against society and was scored much like a cross country meet. That means the team with the lowest score wins the meet. All men were eligible for the run. Coach May, who instigated the Trot, hopes it will become very popular.

Society Activity Governed by Intramural Council

Olivet's intramural council is composed of the presidents of each of the societies, the Dean of Students, and the chairman of the athletic department. Dr. Reed and Dr. Schwada act as ex-officio members of the council.

It is the duty of the council to organize the year's intramural activities. Other duties range from the purchasing of equipment, jurisdicting recreational facilities, programming intramural events, to the recording of society points for the awarding the President's Trophy.

JUNIOR CLASS

Enthusiasm continued in the class of 1969 as they entered their third year at ONC. Sponsoring the annual Hallaween Party, the juniors were successful in creating the setting and the atmosphere of the supernatural. Other events the juniors sponsored included a junior class party, an all-school party, the Jr.-Sr. Banquet and a junior retreat to Mukonago, Wisconsin.

The Junior's academic life is now centered around his major field, and each is anxious to get out into the world and put knowledge into action.

JUNIOR RETREAT—Over 160 Juniors enjoyed a weekend of fun, relaxation, and inspiration at Phantom Ranch, Mukanaga, Wiscansin.

SOPHOMORE CLASS

Coach Watson, Sponsor; Brock Swanson, President; Connie Jo Farrar, Treasurer; Russ Kinzinger, Vice-President, Betty Jo St. John, Secretary.

The sophomores return to Olivet for a second year of college life. Decisions as to a major make this year a little more serious than the first year at O.N.C.

Enthusiasm and creativity continue to be a part of the spirit of the sophomore class. A watermelon feast and a progressive party were two of the social events sponsored by the sophomores. With anticipation, they work toward the goal of being an upperclassman.

FRESHMAN CLASS

Great anticipation and enthusiasm is shown by the members of the Class of 1971 as they start their voyage through college life.

A new "home", new friends, and new curriculum all add to make the freshman year a memorable one. Led by Professor Tomlinson, the class sponsored a homecoming float and participated in the many activities on campus.
